

SENECA DOWNTOWN IMPACT APRIL 2010

What's up Downtown... www.senecadowntown.com

The Northeast Kansas Tourism Connection met in Seneca on April 6th to finalize plans for the Northeast Kansas tent in Leavenworth at the Kansas Sampler Festival on May 1st and 2nd. Seneca will have a booth at the festival and we need two volunteers to help Dustin Holthaus work the booth and represent Seneca. Please contact Linda Honeyman at 785 336 1313 or Deb Koch at 336 – 3481 to sign up.

The National Main Street Conference is in Oklahoma City the same weekend, Linda Honeyman and Dona Willmeth will represent Seneca Downtown Impact at this event. It is one of the requirements of the Dept of Commerce to be a Kansas Main Street city. Main Street cities from across the US meet to share info on projects, events and sources of funds.

2010 Pledges for Friends of Seneca Downtown Impact are due. Your investment in downtown Seneca helps the whole community. In 2009 we received an award for Historic Preservation for Cornerstone Coffee Haus, one for business promotion for the Seneca Bridal Show, one for community partnerships with Nemaha County Historical Society, and one for 1 Million Dollars re- invested in Seneca Main Street businesses. We continue to source financing for the revitalization of the Seneca community

New Awnings enhance the Pony Express Museum in their Revitalization Project for their 150th Celebration .

Volunteers are needed to prepare the evening meal for the Park Committee on May 8th. Please contact Linda at 336 1313 if you would like to bake something for the volunteers that will construct the new playground equipment. Be a part of this fun project that our children will enjoy for years to come.
